

Peter Pan DODS Audition Lyrics

Chorus

Something in the Air Tonight

There's something in the air tonight, something in the breeze
Whistling round the chimney stacks, rustling through the trees
Something in the air tonight, doesn't feel like spring
The nightingales are silent, as if told they shouldn't sing.

There's something in the air tonight, something in each gust,
Something leaves us shivering, something we don't trust,
There's something in the air tonight, that's quickening our tread,
Something makes us worry, something makes us hurry,
To our children at home, safely in bed.

Lost Boys

The Lost Boys Gang

We stick together never knowing whether,
Someone's about to pounce,
It may sound frightening but as quick as lightning,
We settle their accounts,
For those who cross the lost boys,
Will soon be double crossed,
There's been no fight that the lost boys lost.
Reading, writing, 'rythmatic won't save you from your foe,
So

Nobody dares us, nothing ever scares us,
Even the loudest bang,
If you've annoyed us, best if you avoid us,
Cause we're the lost boys' gang,
And those who fight the lost boys,
Discover to their cost.
There's been no fight,
There's been no fight,
There's been no fight,
That the lost boys...

Hook/Mr Darling

The Pirate King

Oh, better far to live and die
Under the brave black flag I fly,
Than play a sanctimonious part,
With a pirate head and a pirate heart.
Away to the cheating world go you,
Where pirates all are well-to-do;
But I'll be true to the song I sing,
And live and die a Pirate King.

For I am a Pirate King!
And it is, it is a glorious thing
To be a Pirate King!
For I am a Pirate King!
(*Pirates* You are! Hurrah for the Pirate King!)

Hook

And it is, it is a glorious thing
To be a Pirate King.
(*Pirates* It is! Hurrah for the Pirate King!)

Hook and Pirates

Hurrah for the Pirate King!

Mrs Darling

For Good

It well may be, that we will never meet again
In this lifetime, so, let me say right from the start,
So much of me is made from what I learned from you
You'll be with me like a handprint on my heart.

And now whatever way this story ends,
I know you have rewritten mine my darling children,

Like a ship blown from its mooring by a wind off the sea,
Like a seed dropped by a sky bird in a distant wood,
Who can say if I've been changed for the better?
But because I knew you,
Because I knew you,
I have been changed for good

Wendy

When I grow up

When I grow up,
I will be tall enough to reach the branches
That I need to reach to climb the trees
You get to climb when you're grown up.

And when I grow up,
I will be smart enough to answer all
The questions that you need to know
The answers to before you're grown up.

And when I grow up,
I will eat sweets every day,
On the way to work, and I will
Go to bed late every night.

And I will wake up
When the sun comes up, and I
Will read cartoons until my eyes go square,
And I won't care 'cause I'll be all grown up.
When I grow up...

Million to One

Here I go again

I'm imagining a world outside unlike this one I'm in
Daydreamin' again of when I'll get a chance,

There's a world outside of here,
Where you needn't fight your demons, peaceful, warm, no suffering,
Daydreamin' again, all I need is a chance,

When I feel my fears staring at me
I tell it just wait and see
I know who I'm gonna be
I know who I'm gonna be
The world's half asleep
It's gonna wake up and see

If it's a million to one
I'm gonna be that one and
If it's a shot in the dark
I'm gonna be the sun
And I just have to stand and be strong
Even when I'm afraid
You're gonna know my name,
You're gonna know my name
